A new pilot scheme will involve the Department of Education reviewing the funding of schools based on evidence of success in the online classroom environment and providing feedback to the Minister.. And he wants to introduce a "parent consent" scheme by which parents can opt out of being forced to consent to sending their youngsters to these schools for a period of at least two years.. The president has already signed executive actions targeting illegal and unaccompanied minors with no prior criminal convictions, as well as extending deferral for parents of unauthorized immigrant minors and extending the definition of the word "children" as "any person less than 18 years old."
